# **Think Like a Pancreas: A Practical Guide to Managing Diabetes with Insulin--Completely Revised and Updated**

### **Product Description**

Few diabetes books focus specifically on the day-to-day issues facing people who use insulin. In this fully updated and revised edition, diabetes educator Gary Scheiner provides the tools to “think like a pancreas”—to successfully master the art and science of matching insulin to the body’s ever-changing needs. Comprehensive, free of medical jargon, and packed with useful information not readily available elsewhere, this new edition covers the many strides t... [More >>](#)
